Eurocopter EC135 VIP

Our EC135s carry up to six passengers in comfort – one up front beside the pilot for the ultimate flying experience, and five in the beautifully crafted leather cabin behind. Physical comfort isn't the only luxury however; low noise and vibration levels ensure the quietest flight possible, making the EC135 the ideal helicopter to hire for business trips where the meeting can continue in flight, or for a cosseted and relaxing treat.

The EC135's luggage capacity is surprisingly large, so golfers, shooting parties and extravagant shoppers will find more than enough space on board.

With the EC135 the opulence can be enjoyed for longer, as this helicopter can take you to London, then Paris, and home again in time for dinner. You will be tempted to see more sights and go further.
